### **Enchanting Production of Peter Pan**

*Jalan Bellamy, Kuala Lumpur, Malaysia: 26th March 2010...* The scene is set and the stage is lit by the stars of the night sky – the Year 2 superstars! Based on the book by J.M Barrie, Peter Pan has been made into a play script by Kate Brandreth and Gina Jones, teachers at the Alice Smith School, Primary Campus.

A combined effort of 110 children, teachers and an army of parents culminated in a spectacular colourful performance. Think happy thoughts and have your magic fairy dust ready as the magical journey begins. A mischievous boy who refuses to grow up, Peter Pan spends his never-ending childhood adventuring on the small island of Neverland, interacting with mermaids, the Lost Boys - a bunch of carefree children with no mothers, Redmen Warriors and pirates.

"The children never fail to astonish me with their talent, enthusiasm and energy. I am very proud of each one of them" said Kate Brandreth, Year 2 Leader.

"Our Year 2 production of Peter Pan, as always, was extremely hard work. But with a fantastic, talented team it made the process thoroughly enjoyable and a pleasure to be part of. The children were incredible and watching them perform was a truly magical experience" adds Gina Jones, Year 2 Class Teacher

The children were also very enthusiastic in sharing their experience.

"I was nervous, but then when I was on stage performing in front of the whole school, I forgot about it" said Vrinda Raninga who played one of the carefree children in the second scene, The Lost Boys.

"There were lots of dramatic moments which made it very exciting. Learning our song and dance for the Mermaid scene was great fun" said Rivaa Ubrani with excitement

To give the performance the extra edge, a team of twenty Year 2 children played various musical instruments, namely the xylophone, violin, guitar, chime bars, djembe drum kit and glockenspiel.

At the Alice Smith School, we not only place great value on academic excellence, but believe in nurturing the young to be an all-rounded learner.
