# YEAR BOOK

## 2006/2007

The pupils and staff have started the exciting process of producing the annual **Year Book**, a pictorial representation of a year in the life of the School focusing upon the Alice Smith community; the pupils, the staff, the parents and the breadth of activities they enjoy.

We would like to offer companies the opportunity of advertising in this year's Year Book. The publication is designed to the highest of standards, A4 sized in full colour, about 180 pages in depth. The Year Books will not only be purchased by our Alice Smith families, it will also be sent to British schools in South East Asia and other international schools in the region.

This wide distribution presents an excellent opportunity for your company to receive extensive coverage and reach your target audience within this region. Our Year Book is a source of many wonderful memories for pupils and parents, and treasured long after they leave the school. Past issues, therefore, remain in circulation for many years, thus further ensuring that all advertisements will, undoubtedly, receive the attention of your desired audience for several years to come. To this day the copies left at our Front Offices are re-used, often cover to cover, by pupils and prospective parents.

All advertisers will receive a complimentary copy of the Year Book.

Thank you for your support.
