This list shows the order of existing pick-up and drop-off points currently running. Stops for condominiums are generally in front of the guardhouse or near to it. We are unable to enter condominium compounds and certain gated communities due to the bus size, added travel time and repeated security checks.

For locations/condominiums not mentioned but are particularly close to the ones listed above, please enquire with Mr./Mrs. Yee on the serviceability of the area. Exact location for street names mentioned above is removed for privacy. Kindly confirm the serviceability of your address if on the same street with the Transport Office.

As a general guideline, morning pick-ups are around 6.30am to 7.10am. Afternoon departures are around 2.15pm for normal dismissals and 3.30pm for ECA dismissals.

We do not offer a door to door service and activity buses are run on a compressed route with common stops for most routes. Please refer to the Activity Bus Routes.

Bus routes, timings, pick-up and drop-off points are subject to termly changes. A term's notice will be given to parents before a route or stop is discontinued.
