Bus Routes

This list shows the order of existing pick-up and drop-off points, from the first to the last stop. Buses do not enter condominiums or gated communities and the bus generally stops in front of the guardhouse or near to it. We do not run a door-to-door service and a common stop point may be established for certain areas.

For locations/condominiums not mentioned but are close to the ones listed above, please enquire on the serviceability of the area. Exact location for street names mentioned above is removed for privacy. If you live on the same street, please inquire via email if the bus is able to service your address.

Pick up and drop off

As a general guideline, morning pick-ups are around 6.30am to 7.10am and buses depart from school approximately 2.35pm for the normal dismissal and 3.45pm for the EPA dismissal.

There is currently no bus service for morning EPAs and extended EPAs that finish past 3.30pm.

Bus routes, timings, pick-up and drop-off points are subject to termly changes. A term's notice is generally given before a route or stop is discontinued.

Bus Buddy App

We will be moving to the new Bus Buddy app in August 2025 for all bus matters. The app allows you to view your child's bus information, track the bus in the morning and afternoon with real time ETAs and receive journey/emergency notifications on your phone.

More details will follow over the summer holidays and an email invite will be sent to both your primary and secondary email addresses for further instructions to download, log in and use the app.

Registering for the bus service

Please complete the bus application [form](#) to register your child for the bus service.

Registration for the bus is based on a first come first served basis. Should a bus be full, your child's name will be placed on the waiting list and you will be notified immediately when a seat is available.
